RENEWED PETITION UNDER 37 CFR 1.137(b)

Dear Sir:

This paper is in response to the Decision on Petition under 37 CFR 1.137(b) dated May 12, 2010, and is being filed within the two-month period for reply.

A grantable petition under 37 CFR 1.137(b) must include: (1) the required reply, unless previously filed; (2) the petition fees required by law; (3) a statement that the “entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional”; and (4) any terminal disclaimer and fee required pursuant to 37 CFR 1.137(c).

The Decision on Petition indicates Items (2) – (4) have been satisfied.

With regard to Item (1), Applicants herewith file a Declaration which does not contain multiple duplicate sheets, now numbering 30 pages and comprised of five individual Declaration documents.

Applicants do not believe there is a fee associated with this Renewed Petition for Revival. However, should a fee be required, The Office is authorized to charge Deposit Account No. 502786 for any deficiency.

Having satisfied Item (1) above, Applicants respectfully request the current application be forwarded to the Office of Pre-Examination.

If the Office of PCT Legal Administration has any questions regarding this paper, please contact the undersigned.

Respectfully submitted

/James E. Howard/
